Lone Tree Award Program Honors the Achievement

LONE TREE October 14, 2015 -- Kiryu Aikido has been selected for the 2015 Best of Lone Tree Award in the Martial Arts Activities category by the Lone Tree Award Program.

Each year, the Lone Tree Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Lone Tree area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2015 Lone Tree Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Lone Tree Award Program and data provided by third parties.
